QUALITY, HEALTH, SAFETY & ENVIRONMENT (QHSE) POLICY

(Integrated Management System Policy)

SPIMACO-ADDWAEIH is committed to:

- Protecting health and safety of employees, visitors and the contractor.
- Constantly improving and monitoring product quality.
- Identifying hazards, analyzing the corresponding impacts in QHSE performance and establishing controls to prevent pollution, reduce the risk; minimize losses and damages to people, environment, products and resources.
- Preventing injury and ill-health related to the nature of the activity, product and service.
- Complying with all applicable legislation, regulations and other legal requirements related to product quality, health, safety and environment.
- Encouraging all contractors and suppliers to follow the QHSE Policy, processes and procedures.
- Providing and ensuring training for all employees as well as contractors to establish knowledge and information necessary to carry out their appropriate roles, duties and responsibilities in a safe working environment.
- Promoting awareness and understanding of QHSE policy among all employees by making it available and displayed at prominent locations and communicated internally at all levels of organization and externally.
- Achieving continuous and sustainable improvement by establishing and measuring QHSE performance and objective.

FAHAD ALKHALAF
